A welcome from Manager Mike Holliman: Welcome to the Chiltern League Cup Final, the path to the Final wasn't easy for the lads having to navigate their way past League Champions Flitwick Eagles Blues and then Luton Nations to get to the Finals. NPTFC U16 Jaguars come into this match on a positive note after beating Flitwick Eagles Blues (League Champions) on the last day of the season to secure 4th place in their first season back in Div 1.

As a squad you will not find a tighter nit group then these and they never know when to quit

Thank you to the Chiltern League for putting this occasion on and also good luck to Kempston Rovers Colts (Tigers) in the match.

Regards

Mike Holliman

Get to Know: Kempston Rovers

Kempston Rovers Colts Tigers: Cup Final kit colour: Red and White shirts, Black shorts, Black socks.

Facts about the club: The core of this team has been playing together since they were eight years old – moving up from the club’s community soccer school.

Over the seasons, we have worked hard to move up from division 2 to be a mainstay in division 1 for the past few seasons. During this time, we have seen players come and go but the core of the team has remained the same. Our team is made up of players from the local area and wider community. It is now well-balanced, with everyone working together to create a great atmosphere in the team.

A welcome from managers Steve Hubble & Luke Bilton: As coaches of this team, we are very proud of the performances that the boys have produced to get us to into this final. Having narrowly missed out (on penalties) on the chance of playing in the County Cup final a few weeks ago, the team put in a dominant performance against Sacred Heart to comfortably win and progress into this final. Each hard-fought victory this season has led us to this moment and given the boys the chance to take home the trophy for which they all deserve. Please get behind the boys today – come on Kempston!
