# Get to know: Ampthill Town

Ampthill town Santos : Cup final kit colour: Yellow shirt, Blue shorts, Blue socks.

A message from managers Andy Cullis & Andrew Walsh:

Looking forwards to a great day at a quality venue which will be fantastic for the lads to experience – memories are made on days like this. Massive thanks to our awesome parents / supporters for all your efforts throughout the season.

# **Get to Know: Houghton Athletic**

**Houghton Athletic FC:** Cup final kit colour: Red shirts, Black shorts, Black socks

**Facts about the club:** Houghton Athletic FC is an FA Accredited club formed in 2002. The club now has nineteen teams ranging from under-fives to adult. The club has always focussed heavily on player development. As a result, many teams have had a very successful history of winning leagues, trophies and tournaments. Over the years, we have also had the pleasure of helping many players on their way into professional academies. This season is proving to be another successful one for the club

**A message from manager Neil Fearn:** It's great to see the team progress into the league cup final this year. The boys have worked tremendously hard over the season. There have been one or two matches where we have struggled with injuries/ holidays but have always endeavoured to play our best. In pre-season tournaments, the team reached quite a few finals, but didn't get to raise a winners' cup. We are hoping we can change that in today's league cup final. We do not, however, underestimate Ampthill who are a good team and hard to score against.
