Facts about the club: Formed in 2016 and currently running with 20 teams from the age of U7 to U16 made up of boys/girls only and mixed teams and in addition 2 adult teams. We pride ourselves in providing affordable, safe and high quality environments for children to be able to flourish and thrive in their individual and collective football journeys. We cater for all levels of ability and have a track record of delivering successful and happy teams at all age levels

A message from managers Mark Young and Cameron Young:
Stopsley United Warriors are a delightful and talented group of young men, and I am immensely privileged along with my 24-year-old son Cameron to have had the opportunity to coach the team for the last 7 years. We pride ourselves on togetherness, perpetual improvement, results, recognition and fun and we have a track record of strong performance over the last few years. No single player is bigger than the squad and every single member of the team brings a unique set of qualities that makes us just that little bit better. Our retention record is excellent and for me personally that is perhaps the most important thing because ultimately it is about the boys enjoying football, learning life skills and having fun.
