Get to Know: Balanced Minds

Balanced Minds FC: Cup final kit colour: Turquoise shirts, Turquoise shorts, Yellow and Turquoise socks

Facts about the club: Balanced Minds FC was formed over the winter of 2023/24 by six volunteers who have considerable experience of youth, non-league and professional football. We have identified that there can be a distinct lack of support provided towards young players who are rejected by their club side as not good enough, and the impact that this has on their mental health.

Our Club's aim therefore is to provide a positive enjoyable and pressure free environment that aids development, mental strength and stabilizes mental health, which in turn has a positive effect on physical wellbeing.

A Message from manager Michael Grey: I am extremely proud to be able to bring Balanced Minds to the Chiltern Youth Football League Cup final in their first season.

These players bought into our philosophy and have progressed tremendously, learning the fundamentals of football, teamwork & discipline. I couldn't have asked for things to go any better. The support we have from our parents and spectators is amazing, and I'd like to take this opportunity to wish Dunstable the best of luck and to thank both sets of supporters for coming today. I hope you all have a lovely afternoon.
