**Facts about the club:** Tattenhoe FC was formed in 2006. Tattenhoe FC started with a single team at Under 11s who continued through to Under 18s with several players then filtering into our adults' teams.

Tattenhoe U15s Sunday have successfully won two consecutive leagues in our first two seasons since forming in 2023 and with today's final we are aiming for a league and cup double.

Good luck to everyone involved.

**A message from manager Rowland Max– Lino:** I feel privileged to work with such a wonderful team of talented individuals. These boys have been amazing since we established as a team in 2023. Their togetherness and dedication to being the best they can be while having fun is such a pleasure to be part of.

Over the last 9 months I have seen them grow as a team who continue to improve their understanding of the game and it's application in how they play, this has manifested itself in their performance this season with a level of consistency that can only be desired.
